

PROTECTIVE SERVICES PUBLICLY AVAILABLE DATA

“360 Yearly” Annual Report – This document is published annually on a state fiscal year basis. The report contains annual data, and is generally made available within a few months after the end of the fiscal year. The latest report can be found under Protective Services Publications at the following link: [Publications/Reports | CYFD](#). This report replaces the Fact Book series.

360 Degrees County Profiles – Currently, this document is published at <http://www.cyfd.org/about-cyfd/publications-reports/360-degrees-county-profiles>. This report is updated quarterly on a state fiscal year basis. This report is made available generally a few months after the quarter has ended. Below is a hyperlink to the archived *360 Degree County Profiles*: <http://cyfd.org/about-cyfd/publications-reports/360-degrees-county-profiles/360-degrees-county-profiles-archives>. The archived **360 Degrees County Profiles** – contains quarterly reports beginning with January 1, 2007.

Fact Book – This document was published annually on a calendar year basis. The report contained both quarterly and annual data. The address for the last available year 2010 is: http://www.cyfd.org/docs/ps_factbook_2010.pdf. Note that prior Fact Book documents for any year are located at the “**Fact Book Archives**” section of the CYFD website. The general address for the archived *Fact Book* reports is: <http://cyfd.org/about-cyfd/publications-reports/protective-services-fact-book-archives>.

Note that the data unit, in the RAD (Research, Assessment and Data) bureau, created a new annual report which will replace the Fact Book series.

Note: The web addresses provided should be consistent over time in the archived sections for both **Fact Book** and **360 Degree County Profiles**, with potential changes occurring only for files as they move from ‘most recently published’ status into archived status.
