Child Care Finder

The Early Childhood Education and Care Department (ECECD) is excited to partner with Wonderschool to launch a new website that will allow parents to easily find child care across the entire state of New Mexico. The new child care finder is part of our efforts to build an early childhood system in New Mexico that is easy to navigate, comprehensive, and meets the **real needs of New Mexico families**.

You're Invited

Join a parent virtual focus group to experience the new site and offer feedback on your experience navigating the new site. This feedback will be used to enhance the experience for parents across the state.
