

# Child Care and Development Fund (CCDF) Plan Stakeholder Sessions

The New Mexico Early Childhood Education and Care Department (ECECD) **cordially invites you** to participate in Stakeholder meetings to offer valuable feedback on the state's Child Care and Development Fund (CCDF) Plan for Federal Fiscal Years (FFY) 2025-2027.

The CCDF plays a crucial role in providing access to child care for eligible families, fostering growth and quality improvement opportunities for providers, and assisting families in finding child care that aligns with their specific needs. All meetings will be conducted virtually via Zoom, unless otherwise indicated below. Interpretation services, Spanish and ASL, will be available for all sessions.

*Your participation is integral to shaping the future of child care in New Mexico. We look forward to your valuable input and collaboration in this effort.*
