You can find a summary of legislative changes in the **LS-2024 - Legislative Summary**. You can locate all bulletins, FYI's, quick guides, and legislative summaries on our website <https://www.tax.newmexico.gov/forms-publications/> in the "Publications" folder.

The following changes from HB-252 will go into effect July 1, 2024:

- Adds energy storage equipment to the deduction under Section 7-9-54.3 NMSA 1978 and adds a sunset date to this deduction.
- Creates a new deduction for environmental modifications for medicaid recipients under Section 7-9-73.4 NMSA 1978. This deduction is not required to be separately reported.
- Creates two new deductions that are required to be separately reported for receipts of child care assistance through a licensed child care assistance program under Section 7-9-77.2(A) NMSA 1978 and pre-kindergarten services by for-profit pre-kindergarten providers under Section 7-9-77.2(B) NMSA 1978. See TRD-41423, *Legal Services for Wildfire Compensation Recovery Credit Application and Claim Form* and the *Schedule CR* for more information.
- Creates a credit against gross receipts tax for receipts tax associated with the sale of dyed special fuel used for agricultural purposes under Section 7-9-58.1 NMSA 1978. New Mexico Business Tax Identification Number (NMBTIN)

Prior to filing a TRD-41413, *Gross Receipts Tax Return* you are required to have been issued a New Mexico Business Tax Identification Number (NMBTIN) by either registering electronically online through the Taxpayer Access Point (TAP) here <https://tap.state.nm.us/Tap> and selecting "Apply for a New Mexico Business Tax ID" in the "Businesses" tile OR by filling out the ACD-31015, *Business Tax Registration Application and Update Form* included in this packet and submitting it as stated in that form's instructions. Failure to acquire the NMBTIN prior to filing could result in the Department misplacing the return and payment, which can only be fixed by contacting the Taxation and Revenue Department and working with an agent. This may even require the return to be filed again with the NMBTIN and information about the payment be provided to an agent so the payment can be located and applied to your gross receipts tax account.

ELECTRONIC FILING AND PAYMENT REQUIREMENT REMINDER

Gross receipts tax returns and payments shall be filed and paid electronically if the taxpayer's average monthly tax liability for gross tax during the preceding calendar year equaled or exceeded \$1,000. The following electronic methods of remitting tax payments will be accepted: credit card, ACH debit, and ACH credit. See the instructions for more information.

ELECTRONIC FILING AND PAYMENT CAN BE MADE ONLINE USING THE TAXPAYER ACCESS POINT (TAP).

You can use the URL below or the QR Code to the left to locate TAP. To use the QR code open your smart phone camera and scan the image to the left.

WHAT TO KNOW AND DO BEFORE YOU BEGIN

Who Must File A Gross Receipts Tax Return

The gross receipts tax is a tax imposed on persons engaged in business in New Mexico for the privilege of doing business in New Mexico.

“Engaging in business” means carrying on or causing to be carried on any activity with the purpose of direct or indirect benefit. **For those that lack physical presence** in New Mexico, including a marketplace provider, it means having at least \$100,000 of taxable gross receipts sourced to New Mexico in the previous calendar year. See *What is Gross Receipts Tax* below for more information. For more information on **physical presence or nexus**, see our website here: <https://www.tax.newmexico.gov/businesses/determining-nexus/>.

What is Gross Receipts Tax

“Gross receipts” means the total amount of money or the value of other consideration received from selling property in New Mexico, leasing or licensing property employed in New Mexico, from granting a right to use a franchise employed in New Mexico, performing services in New Mexico or selling research and development services performed outside New Mexico the product of which is initially used in New Mexico.

Gross receipts includes receipts from:

- Sales of tangible personal property handled on consignment;
- Commissions and fees received;
- Amounts paid by members of any cooperative association;
- Fees received by persons for serving as disclosed agents for another;
- Amounts received by persons providing telephone or telegraph services;
- Amounts received by a New Mexico florist from the sale of flowers, plants, etc., that are filled and delivered outside New Mexico by an out-of-state florist;
- Providing intrastate mobile telecommunications services (i.e., the services originate and terminate in the same state) to customers whose place of primary use is in New Mexico; and
- Amounts collected by a marketplace provider engaging in business in the state from sales, leases and licenses of tangible personal property, sales of licenses and sales of services or license for use of real property that are sourced to New Mexico by a marketplace provider on behalf of a marketplace seller(s) regardless if the marketplace seller(s) are engaging in business in New Mexico.

For more detail, see FYI-105, *Gross Receipts & Compensating Taxes: An Overview* available through your local district office or at <https://www.tax.newmexico.gov/forms-publications/>.

Gross Receipts and Compensating Tax Rate Table

Gross receipts tax is based on municipality/county locations and reported/collected based on location code. The Department releases the *Gross Receipts and Compensating Tax Rate Schedule* semiannually and has the listing of counties,

municipalities, location codes for each, and the tax rate. The location codes are used to determine which tax rate should be used when filing your return. The gross receipts and compensating tax rates can change on January 1 and July 1 of each year, so it is important to check the *Gross Receipts and Compensating Tax Rate Schedule* for new rates located online at <https://www.tax.newmexico.gov/governments/gross-receipts-location-code-and-tax-rate-map/>.

Location Code and Tax Rate

Gross receipts tax is required to be reported by municipality, county, and location code as described in Section 7-1-14 NMSA 1978 as follows:

- B. Reporting location for receipts from the sale, lease, or granting of a license to use real property located in New Mexico and any related deductions shall be the location of the property.
- C. Reporting location for receipts from the sale or license of property, other than real property, and any related deductions, shall be at the following locations:
 - (1) if the property is received by the purchaser at the New Mexico location of the seller, the location of the seller;
 - (2) if the property is not received by the purchaser at a business location of the seller, the location indicated by instructions for delivery to the purchaser, or the purchaser's donee, when known to the seller;
 - (3) if Paragraphs (1) and (2) of this subsection do not apply, the location indicated by an address for the purchaser available from the business records of the seller that are maintained in the ordinary course of business; provided that use of the address does not constitute bad faith;
 - (4) if Paragraphs (1) through (3) of this subsection do not apply, the location for the purchaser obtained during consummation of the sale, including the address of a purchaser's payment instrument, if no other address is available; provided that use of this address does not constitute bad faith; or
 - (5) if Paragraphs (1) through (4) of this subsection do not apply, including a circumstance in which the seller is without sufficient information to apply those standards, the location from which the property was shipped or transmitted.
- D. The reporting location for gross receipts from the lease of tangible personal property, including vehicles, other transportation equipment and other mobile tangible personal property, and any related deductions, shall be the location of primary use of the property, as indicated by the address for the property provided by the lessee that is available to the lessor from the lessor's records maintained in the ordinary course of business; provided that use of this address does not constitute bad faith. The location of primary use shall not be altered by intermittent use at different locations, such as use of business property that accompanies employees on business trips

and service calls.

- E. The reporting location for gross receipts from the sale, lease or license of franchises, and any related deductions, shall be where the franchise is used.
- F. The reporting location for gross receipts from the performance or sale of the following services, and any related deductions, shall be at the following locations:

77-777	4.875 %	If you are performing research and development services outside NM as a professional service.

Important: If you file your return electronically either through TAP or a third-party **do not** submit a paper return. The duplicate return will slow down processing.

COLUMNS A THROUGH H

Column A. Municipality/County Name

On separate lines, enter the name of each municipality or county where you have a gross receipts tax to report. Refer to the *Gross Receipts and Compensating Tax Rate Schedule*, <https://www.tax.newmexico.gov/governments/gross-receipts-location-code-and-tax-rate-map/>.

Effective July 1, 2021, gross receipts are reported using destination-based sourcing. This means that gross receipts, with some exceptions, will generally be reported under the location code where the customer is located. Prior to July 1, 2021, New Mexico gross receipts were reported using origin-based sourcing rules. This meant that gross receipts

were reported at the location of the business address, with the exception of construction, real estate sales, utilities, or tribal agreements. More information can be located under *Location Code and Tax Rate* on page 2.

Certain situations or types of receipts require a special notation in Column A that has no relation to a county, municipality or other physical location, refer to table T1.

T1. Special Notations	
Out-of-State	Use when an in state rate does not apply. See below and table T2 Out-Of-State Codes for more information.

Column B. Location Code

Enter the Location Code from the current *Gross Receipts and Compensating Tax Rate Schedule*, <https://www.tax.newmexico.gov/governments/gross-receipts-location-code-and-tax-rate-map/>. Make sure that the location code corresponds with the municipality or county you listed in Column A.

When applicable, use one of the out-of-state special locations and/or deduction codes listed in table T2.

T2. Out-of-State Codes		
88-888	4.875 %	If you are reporting for an out-of-state location for a professional service or shipping goods out-of-state.
77-777	4.875 %	If you are performing research and development services outside NM as a professional service.

Column C. Special Rate Code

Enter the alpha Special Rate Code from table T3. These codes are account specific. Do not use these codes unless they apply to your tax situation. These codes alert the Department's computer system to a special rate, distribution, or reporting requirement that may apply to your industry or to the type of deduction being reported.

♦ **TAP TIP:** These special rates codes are granted based on the information provided to the Department on your ACD-31015, *Business Tax Registration Application and Updates Form*. If you can not see these in TAP and need them, please submit an updated ACD-31015.

T3. Special Rate Codes		
A	Local Economic Development Act (LEDA)	Only qualifying entities under Section 5-10-14 NMSA 1978 use this special rate code. For more information on who qualifies for the special rate code please refer to the Local Economic Development Act Fund Section 5-10-14 NMSA 1978.
F	Food Retailers	Only food retailers reporting deductible receipts under Section 7-9-92 NMSA 1978 need to use this special code. For more information on who qualifies, please see FYI-201. When using this special code, be sure to indicate zero in Columns G and I for the respective line. Note: Do NOT claim this deduction for federal food stamp sales paid for with food cards. Not all food retailers qualify for the special code "F" deduction.
M	Certain Health Care Practitioners	Only licensed health care practitioners or an association of health care practitioners reporting deductions under Section 7-9-93 NMSA 1978 use this special code. For more information on who qualifies for the special code "M" deduction, see FYI-202. When using this special code, be sure to indicate zero in Columns G and I for the respective line. Note: Do not use the special code in Column B for other receipts reported by licensed health care practitioners. Use a separate line for other types of medical-related deductions. Co-payment or deductible (7-9-93(B)). Starting July 1, 2023, and prior to July 1, 2028, receipts from a co-payment or deductible paid by an insured or enrollee to a health care practitioner or an association of health care practitioners for commercial contract services pursuant to the terms of the insured's health insurance plan or enrollee's managed care health plan may be deducted from gross receipts.
NH	Sales by a Nonprofit hospital	"Nonprofit hospital" means a hospital that has been granted exemption from federal income tax by the United States commissioner of internal revenue as an organization described in Section 501(c)(3) of the Internal Revenue Code. Rate of 4.875%. (7-9-41.5)

Note: Manufacturers who have entered into a Form RPD-41377, *Manufacturers Agreement to Pay Gross Receipts Tax on Behalf of a Utility Company* for Certain Utility Sales with a utility company must use the special rate codes listed in table T4.

Important: A separate row is needed for gross receipts associated with Special Rate Codes (not the rate listed for the Municipality/County). Do not combine receipts calculated under the regular rates from the *Gross Receipts and Compensating Tax Rate Schedule*.

Example 1 (Column C): Taxpayer has gross receipts in the Albuquerque to report under the Medical Special Rate Code "M". The taxpayer will review the *Gross Receipts and Compensating Tax Rate Schedule* to locate the *Municipality/County* (Albuquerque) and the *Location Code* (02-100), these are entered in Column A and Column B of the return. The taxpayer would enter the "M" code under *Column C. Special Rate*. The taxpayer would continue to *Column D*, then *Column F*. In *Column F* the taxpayer would put the same amount listed in *Column D*. In *Column G* and *Column I* that taxpayer would enter Zero as instructed in table T3.

T4. Manufactures Agreement Special Rate Codes		
E	Certain Sales of Electricity to a Manufacturer	Please refer to FYI-275 for detailed special reporting requirements for qualified transactions that require the use of this special code. When using this special code, be sure to indicate zero in Columns G and I for the respective line.
G	Certain Sales of Natural Gas to a Manufacturer	Please refer to FYI-275 for detailed special reporting requirements for qualified transactions that require the use of this special code. When using this special code, be sure to indicate zero in Columns G and I for the respective line.

O	Certain Sales of Other Utilities to a Manufacturer	Please refer to FYI-275 for detailed special reporting requirements for qualified transactions that require the use of this special code. When using this special code, be sure to indicate zero in Columns G and I for the respective line.

Column D. Gross Receipts (excluding Tax)

The amounts in Column D should be the gross receipts amount **excluding** the tax associated with those receipts. This includes taxable gross receipts and deductible gross receipts. **Note:** In order to report this correctly you may need to back the tax out. See **Example 2**.

$$\text{Gross Receipts Including Tax} \div 1.0(\text{insert tax rate without the decimal})$$

Example 2 (Column D): Taxpayer’s gross receipts including tax is \$342.50 and the tax rate is 8.1875%. The taxpayer would back out the tax by dividing 342.50 by 1.081875, the answer is 316.580001... (round this number to the nearest cent). The gross receipts **excluding** tax would be \$316.58. This is the amount the taxpayer would put in Column D.

Important: A separate row is needed for gross receipts associated with special rates or separately reported deductions (required or optional).

Column E. Deduction Code

When using deduction codes, the gross receipts and deduction associated with amounts that have deduction codes that are *required* to be reported will have to be reported on a separate line. All other deductions can be claimed together on one line by leaving column E blank and filling in Column

Example 3 (Column E): Taxpayer A has gross receipts tax (GRT) for Santa Fe City and Santa Fe County - Remainder of County. They have 1 required D0- deduction code and 2 deductions that fall under deductions that are not required to be separately reported and 1 special rate code applicable to their monthly gross receipts. Taxpayer A will report as follows:

Col. A	Col. B	Col. C	Col. D	Col. E	Col. F	Col. G	Col. H	Col. I
Muni/County	Location Code	Special Rate Code	GR (exclude Tax)	Deduction Code	Deduction Amount	Taxable GR	Tax Rate	GRT Due

SF R. of Co.	01-001		31,500		10,000	21,500	6.8750%	1,478.13

F with the deduction dollar amount, see the fourth line on Example 3 below. See **Example 3**.

Required to be reported separately by statute: Deductions that have a separate reporting requirement (D0) can be located on page 10, see on table **T5. Deductions Requiring Separate Reporting**.

All other deductions that are available for New Mexico gross receipts tax that are not required to be separately reported are reported only in column F as a dollar amount. LINE 1. Total Gross Receipts Tax.

Enter the sum of all Column I, Row A and Row B on Line 1 for the total amount of gross receipts tax due. Remember to include all of the Column I in your calculation from any additional Schedule A pages for the reporting period.

LINE 2. Business Related Tax Credits Applied

- Attach Schedule CR (and any required forms or documentation to support your claim) to your TRD-41413.

LINE 3. Net Tax

Subtract Line 2 from Line 1. If no amount was claimed on Line 2, carry amount in Line 1 down to Line 3. This amount cannot be more than Line 1.

LINE 4. Penalty.

If you file late and owe tax, or if you do not pay the tax on or before the date your return is due, enter penalty here.

Penalty is applied for failure to pay or file on time. Penalty is calculated at a rate of 2% of Line 4 per month or partial month (any fraction of a month is a full month) the TRD-41413 or payment is late, up to 20% of the tax due or a minimum of \$5.00, whichever is greater.

Note: The minimum \$5.00 Penalty is also imposed for failure to file this form even if no tax is due.

LINE 5. Interest

See **Example 4**. Interest is calculated daily but the rate will be set at the rate established for individual income tax purposes by the U.S. Internal Revenue Code (IRC). The IRC rate, which changes quarterly, is announced by the IRS in the last month of the previous quarter. The annual and daily interest rates for each quarter are posted on our website at <https://www.tax.newmexico.gov/individuals/file-your-taxes-overview/penalty-interest-rates/>.

$$\text{Tax Due X Quarterly Interest X Number of Days Late} \\ = \text{Interest Due}$$

Example 4 (Line 5): Taxpayer's tax due on Line 3 is \$1,000. The payment due is fifteen days late.

To calculate the interest due: multiply \$1,000 by the daily rate of 0.01643856% (the daily interest rate for the 2nd quarter of 2019). The result is \$0.16438356, which is the interest due for one day. Multiply \$0.1643856 by fifteen (the number of days the payment is late). The interest is \$2.465753425. (Round this number to the nearest cent) Enter the interest due of \$2.47 on Line 5.

$$\$1,000 \times 0.00016438356 \times 15 = \$2.465753425$$

Note: You are not liable for interest if the total interest due is less than \$1.00.

Important: When you pay your principal tax liability, interest stops accruing. Because it stops accruing, you do not need to calculate the amount of interest due on your return past the date you pay the principal tax.

INTEREST AND PENALTIES

Interest

Interest accrues on tax that is not paid on or before the due date of your return.

Important: Interest is a charge for the use of money and by law it cannot be waived.

When you pay your principal tax liability, penalty and interest stop accruing.

Negligence Penalty for Late Filing or Late Payment

If you file late and owe tax, or if you do not pay your tax when due, you receive a penalty of 2% of the tax due for each month or part of a month you do not file the return or you do not pay the tax, up to a maximum of 20%.

This penalty applies when your failure to timely file or pay is due to negligence or disregard of the rules and regulations, but without intent to defraud.

Returned Check Penalty

A check that is not paid by a financial institution does not constitute payment. A penalty of \$20 is assessed for a bad check in addition to other penalties that may apply to a late payment.

Tax Fraud

A person is guilty of tax fraud if the person:

- Falsifies any return, statement, or other document;
- Willfully assists, procures, advises, or counsels the filing of a false return, statement, or document;

YOUR RIGHTS UNDER THE TAX LAW

Your Rights

To help avoid tax problems, keep accurate tax records and stay current with tax law changes. Information in these instructions and other Department publications help you do both.

While you can resolve most tax problems informally, it is important to understand you must exercise certain rights provided to you under law within specific time frames. If the Department makes an adjustment to your return, the Department sends you a notice explaining the adjustment and the procedures to use if you disagree.

Refunds

If the Department denies your claim for refund in whole or in part, you may file a protest with the Department within 90 days of either mailing or service of the denial, or you may

file a lawsuit with the Santa Fe District Court.

If the Department requests additional relevant documentation from you, the claim is not complete until the documentation is received within the specified time period. The date the complete claim is submitted will determine when the 180 days begin. If you do not provide the additional requested relevant documentation, the claim for refund remains incomplete and will not be processed.

New Mexico Taxpayer Bill of Rights

Most tax transactions happen without problems. Sometimes, thought, troubles arise through misunderstanding, mathematical error, missed deadlines, lost papers, high volume of transactions and many other situations. Changes in the law may make earlier information outdated. Over the years the Legislature and the Department have created ways to handle difficulties according to the provisions of the state tax code. Following are some of your rights as outlined in Sections 7-1-4.1 through 7-1-4.3 NMSA 1978:

- The right to available public information and prompt and courteous tax assistance;
- The right to representation and advice by counsel or other qualified representatives at any time during your interactions with the Department according to provisions of Section 7-1-24 NMSA 1978, or with the Administrative Hearings Office in accordance with the provisions of the Administrative Hearings Office Act;
- The right to have audits, inspections of records and meetings conducted at a reasonable time and place according to Section 7-1-11 NMSA 1978;
- The right to have the Department conduct its audits in a timely and efficient manner and be entitled to the correct calculation of interest as provided in the Tax Administration Act under Section 7-1-67 and 7-1-68 NMSA 1978;
- The right to simple, non-technical information explaining procedures, remedies and rights during audit, protest, appeals and collection proceedings under the Tax Administration Act;
- The right to receive an explanation of audit results and the basis for audits, assessments or denials of refunds that identify tax, interest or penalty due;
- The right to seek review through formal or informal proceedings of findings or unfavorable decisions arising from determinations during audit or protest procedures according to Section 7-1-24 NMSA 1978 and the Administrative Hearings Office Act;
- The right to have your tax information kept confidential unless otherwise specified by law in Sections 7-1-8 through 7-1-8.11 NMSA 1978;
- The right to an abatement of an assessment of taxes incorrectly, erroneously or illegally made (Section 7-1-28 NMSA 1978) and a right to seek a compromise of an asserted tax liability. When the Secretary of Taxation and Revenue in good faith doubts that you owe us what we claim you owe, you also have the right to seek a compromise if one exists in your particular case (Section 7-1-20 NMSA 1978);
- The right to clear information of the consequences if a tax assessment is not paid, secured, protested or otherwise provided for according to Section 7-1-16 NMSA 1978. If you become a delinquent taxpayer, upon notice of delinquency you have the right to timely notice of collection actions that require sale or seizure of your property under the Tax Administration Act, and
- The right to apply to pay your tax obligations by installment payment agreements according to the provisions of Section 7-1-21 NMSA 1978.

Confidentiality Provisions:

Statutes protecting the privacy of your taxes are strict and are outlined in Sections 7-1-8 through 7-1-8.11 NMSA 1978. Section 7-1-8.2 NMSA 1978 limits requiring the Department to answer questions about whether a taxpayer is registered to do business in New Mexico or is registered for other tax programs. It does not allow employees to say whether you have filed a return. Employees may discuss your account only with you or your authorized representative. A hearing officer's written ruling on questions of evidence or procedure pursuant to the Administrative Hearings Office Act are in the public domain. The name and identification number of the taxpayer requesting the ruling are not public record. Public record includes the monthly gasoline tax reports of numbers of gallons of gasoline and ethanol-blended fuels received and deducted, and the tax paid by each filer or taxpayer pays. Identities of rack operators, importers, blenders, suppliers or distributors and the number of gallons of gasoline and other

fuels are public record. The Department may reveal to the Gaming Control Board the tax returns of license applicants and their affiliates.

Audit Provisions:

The Department must provide you with written, dated notice that an audit is about to begin on a specific date, and the notice must tell you which tax programs and reporting periods will be covered. We must issue a second notice, which states any outstanding records or books of account requested and not yet received, between 60 and 180 days after the audit begins. If you do not produce the records within 90 days, the Department can issue an assessment of tax on the basis of the information as it stands. If you need additional time, you must submit a specific request in writing. Interest on outstanding liabilities accrues if the Department does not issue an assessment within 180 days of the notice of outstanding records or books, or within 90 days after time has expired under your request for additional time; however, you are entitled to an abatement of interest for the period of time after you have complied with Department requests and the Department has not acted on the audit.

Administrative Hearing Procedures:

A hearing officer may not engage or participate in any way in the enforcement or formulation of general tax policy other than to conduct hearings. You may request the Chief Hearing Officer of the Administrative Hearings Office determine if a hearing officer has engaged or participated in the enforcement or formulation of tax policy and if the hearing officer's activities have affected his or her impartiality. The Chief Hearing Officer may designate another hearing officer for the matter. Hearing officers may not communicate unilaterally about a matter you have protested while that matter is still pending. The chief hearing officer may appoint another hearing officer if that occurs. You may request a written ruling on any contested question of evidence in matters in which you have filed a pending written protest. You also may request that two or more protests on related issues be combined and heard jointly, and the hearing officer shall grant the request unless it creates an unreasonable burden on the Department.

Credit Claims:

The Department has 120 days from the filing date to approve or deny a statutory tax credit. If it does not act, the credit is approved. For more information see Section 7-1-29.2 NMSA 1978.

Refund Offsets:

The Secretary decides whether a refund of tax due you may be offset against your other tax liabilities, and you will receive notice that the refund will be made accordingly. You are entitled to interest until the tax liability is credited with the refund amount. Please see the paragraph above on "Audit Provisions" for interest due to you if the Department does not offset a refund or credit against your other tax liabilities within the prescribed time. The Department may make a direct refund of overpaid taxes to the taxpayer without requiring the taxpayer to file a refund claim. The Department does not have to pay interest on credits or refunds if it applies the amount to a tax interception program, to an estimated payment, or to offset prior liabilities of the taxpayer.

Awarding of Costs and Fees:

If you prevail in an administrative or court proceeding brought by you or against you after July 1, 2003, under the Tax Administration Act, you may be entitled to a judgment or a settlement for reasonable administrative costs connected to the action.

Penalty:

The Department may not assess penalty against you if you fail to pay tax when due because of a mistake of law made in good faith and on reasonable grounds. If the Secretary determines that it is unfair to hold a spouse or former spouse liable for payment of unpaid taxes, the Secretary may decline to take action against the spouse or former spouse of the person who actually owes the tax. In extreme cases of delinquency under Section 7-1-53 NMSA 1978 the Department may enjoin a taxpayer from continuing in business after a hearing and until the delinquency is cleared.

GRT-PV Gross Receipts Tax Payment Voucher

You may submit a payment with the payment voucher below or pay gross receipts taxes online at no charge by electronic check. You can pay online through Taxpayer Access Point (TAP). Go to <https://tap.state.nm.us> and under **PAYMENTS**, click **Make a Payment**, and then **Business**. The electronic check authorizes the Department to debit your checking account in the amount and on the date you specify. You may also use a credit card for your online payment. A convenience fee is applied for using a credit card. The State of New Mexico uses this fee, calculated on the transaction amount, to pay charges from the credit card companies.

SUBMIT ONLY A HIGH-QUALITY PRINTED, ORIGINAL FORM AND FOLLOW THESE INSTRUCTIONS. With the high-speed scanners the Department uses when processing payment vouchers, a quality form helps ensure accuracy. Do not use a photocopy of the voucher. Because the scanners can read only one page size to process vouchers, it is important to **cut on the dotted line only**. When printing the voucher from the Department website or a software product, prevent resizing by setting the printer's page scaling function to **None**.

IMPORTANT: ALWAYS INCLUDE YOUR PAYMENT WITH THE PAYMENT VOUCHER.

NOTE: When you provide a check as payment, you authorize us to use information from your check to make a one-time electronic fund transfer from your account. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day you make your payment.

APPLICATION FOR REFUND

Instructions

Who is required to submit RPD-41071

Use this form to apply for a refund of most tax, fees, or surcharges paid to the New Mexico Taxation and Revenue Department. Unless your claim is an exception (described next), you are required to complete this form and provide all required supporting documentation. See table T1. *Program Type* on page 4 for the tax program types that are required to use the RPD-41071, *Application For Refund* in order to request a refund.

Should you need assistance completing this application, please contact the Department:

Phone: 1-866-809-2335

Exceptions for Filing This Form

If your refund claim is the result of overstating the tax due on a previously filed income tax or an oil and gas tax return (oil and gas does not include motor fuel tax/fee) and you are filing an amended return, you do not need to complete and attach this application for a tax refund. A complete amended return is sufficient to support a valid claim for tax refund.

Exceptions to Filing RPD-41071

The following tax, fee, or surcharge programs require you to file a special form instead of this RPD-41071, *Application for Refund*, to claim a refund for their program:

- Oil and gas taxes other than the oil and gas proceeds withholding tax, use RPD-41136, *Application for Tax Refund - Oil and Gas*.
- Withholding tax on the net income of a pass-through entity (PTE) reported on PTE New Mexico Information Return for Pass-Through Entities, use RPD-41373, *Application for Refund of Tax Withheld From Pass-Through Entities*.
- Overpayment of tax withheld on RPD-41367, *Pass-Through Entity Withholding Detail (PTW-D) Report*, use RPD-41373, *Application for Refund of Tax Withheld From Pass-Through Entities*.
- Vehicle-related or driver-related taxes or fees, use MVD-10208, *Request for Refund*.
- Tobacco Products Tax, use RPD-41318, *Application for Tobacco Products Tax Refund*.
- Spoiled or damaged cigarette stamp, use RPD-41211, *Application for Refund of Cigarette Tax*.

Information Required to Claim a Refund

According to Section 7-1-26 NMSA 1978, the following information is required to claim a refund:

- Taxpayer's name, address, and identification number
- Type of tax for which the refund is claimed, the credit or rebate denied, or the property levied upon
- Sum of money or other property claimed
- Period(s) for which the overpayment was made
- Brief statement of the facts and law on which the claim is based, referred to as the basis for refund, and documentation to support and substantiate the taxpayer's basis for the refund
- If applicable, a copy of an amended return for each tax period for which the refund is claimed.

NOTE: To claim a refund of an overpayment due to an offset or

a return adjustment by the Department, please attach a copy of the Offset Notice or Return Adjustment Notice.

When to Attach an Amended Return

If your refund is the result of overstating the tax, fees, or surcharges due on a previously filed return, you are required to attach a complete amended return for each affected period which should include all supporting forms, schedules, and backup as requested by the instructions.

NOTE: Only one *Application for Refund* is required per refund claim regardless of the number of amended filing periods.

IMPORTANT: If you are mandated to electronically file, this requirement extends to electronic filing of amended returns.

Interest on Overpayment

The Department requires a complete and approved refund claim before calculating interest on an overpayment. The Department does not pay interest on refunds for the following tax credits: Investment, Laboratory partnership with small business, Technology jobs and research and development, Film production, Affordable housing, Rural job, or High-wage jobs.

Requirements for Requesting Tax Refunds

The documents to attach when you request a tax refund depend on the reason for your refund claim. To claim a refund of gross receipts tax paid because you did not claim:

- An allowable deduction, attach a copy of either of the following, if applicable:
 - ♦ The nontaxable transaction certificate (NTTC) the buyer executed so the Department can verify the buyer executed it properly and timely
 - ♦ Any other documentation necessary to support the deduction (for example, a farmer or rancher statement)
