

Choose the Summer Food Service Program

Higher Reimbursement. Bigger Impact.

When it comes to funding your summer meals, SFSP simply delivers more. With higher reimbursement rates across meals and additional operational support, SFSP gives you the financial power to expand your reach, strengthen your program, and serve more kids with confidence. NSLP and SSO based rates are lower and limit your program's potential. If your goal is to serve more kids, with better meals, and stronger financial support, the Summer Food Service Program is the smart choice!

More Flexibility. Better Meals.

- Multi-day Meal Issuance
- Parent/Guardian Pick-up
- Stronger Community Reach
- Bulk Meal Distribution
- Home Delivery
- Greater Menu Creativity
